FACTUAL ALLEGATIONS

20. The Roosevelt Union Free School District (RUFSD) is a public school district serving much of the Greater Roosevelt area in the Town of Hempstead, in Nassau County, on the South Shore of Long Island, in New York, United States. The district primarily serves the unincorporated hamlet and CDP of Roosevelt, in addition to small portions of the unincorporated hamlet and CDP of Baldwin and the Incorporated Village of Freeport.

21. As of the 2020-21 school year, there were 3,180 students enrolled in the district. Of those 3,180 students, 1,691 (53%) were males while 1,489 (47%) were females. The racial makeup of the students in the district during the 2020-21 school year was 42% Black or African American (1,345 students), 0% White (2 students), 0% Asian/Native Hawaiian/Other Pacific

Islander (11 students), 0% Indian/Alaska Native (0 students), and 0% Multiracial (8 students). 57% of enrolled students were of Hispanic or Latino heritage of any race (1,814 students)

22. On February 15, 2023 during a post season playoff basketball game at Lynbrook High School between Roosevelt High School Boys Basketball Team and Lynbrook High School Boys Basketball Team, a disturbance occurred. Spectators along with people in the bleachers inside the gymnasium of Lynbrook High School were spitting on, barking at, and chanting racial names including but not limited to the word "nigger" at cheerleaders of Roosevelt High School.

23. While this behavior by spectators and people in the bleachers was happening, onlookers to these improper and heinous acts, which included supervisory personnel from Lynbrook High School did not intervene until staff from Roosevelt High School stressed to the Lynbrook Athletic Director that the matter be dealt with.

24. To the contrary, with the exception of the expulsion of certain students from the premises, repercussions have not been taken to address and prevent this level of abuse and complete lack of "sportsmanship".

25. The racial comments and actions of Spectators and people in the bleachers endured by cheerleaders of Roosevelt High School were racist, demeaning, degrading, and intended to intimidate and dehumanize the students from Roosevelt High School .

26. Following the incident that occurred at Lynbrook High School on February 15, 2023, the students of Roosevelt High School were again subjected to improper and racially charged heinous acts.

27. On February 17, 2023, at Wantagh High School, the Roosevelt High School Boys Basketball Team was competing in the second round post season playoff athletic competition.

28. When the players from Roosevelt Boys Basketball Team were introduced, a large group of young white men dressed in white t-shirts and sweat-shirts stood up in the bleachers, and started booing and, as depicted in the photo below, physically turned their backs to the basketball court as a sign of disregard and disrespect.

29. The cheerleaders from Roosevelt High School were verbally abused, referred to as "niggers", subjected to vociferous booing, as well as comments being hurled at the players and cheerleader such as " Who's your daddy" and were being flashed middle fingers throughout the game.

30. During the game, the use of the word "nigger" was regularly made by players and spectators towards students of Roosevelt High School and there was no intervention by officials, supervisors or staff from the Wantagh School District or Section VIII NCPHSAA to stop such behavior.

31. Section VIII NCPHSAA, is responsible for oversight of all interscholastic athletic events in Nassau County and at these two events, it failed to take preemptive acts or any form of intervention to prevent or stop or curtail the ongoing abuse and acts of intimidating, threatening, demeaning, and disrespecting the Roosevelt students which was based on race and color.

32. Furthermore, at no time was this level of disrespect addressed in any manner by an adult employed to supervise and/or educate the children in their charge at Wantagh High School.

33. There was never an attempt made or effort put forth by an employee of Wantagh School District to make the overtly disrespectful behavior stop.

34. The racially charged verbally abusive statement "Who's your daddy" was made during the game and went unchallenged with no intervention by personnel from Wantagh School District.

35. When the basketball game ended, the large group of young white men dressed largely in white t-shirts and sweat-shirts rushed the playing court and prevented the traditional hand shaking between the two teams.

36. This action by the large group of young white men created a mob like environment that was uncontrolled and became a safety concern for the supervisors from Roosevelt as well as both players and cheerleaders from Roosevelt High School and visitors.

37. The safety of the Roosevelt players was a priority of their head coach Lydell Smith who felt the need at the moment when his team lined up to shake hands to congratulate Wantagh on their victory and as they waited for Wantagh's coaches and players, the rushed the basketball court, then he decided to tell his team (Roosevelt players) to head to the locker room for safety reasons and instructed his assistant coach Taurus Reed to stay behind and shake Wantagh's coaches and players hands.

38. The large group of young white men who created a mob like environment consisted of students from both Lynbrook High School and Wantagh High School in a

collaboration aimed to intimidate, threaten, demean, and disrespect the Roosevelt students based on race and color.

39. Lynbrook, Wantagh and Section VIII NCPHSAA their employees, agents, supervisors, administrator, officials and decision makers failed to address crude and abusive language and gestures by players, spectators, and others which aimed at and directed to Roosevelt students and spectators.

40. Once informed of the outrageous actions taken against the Roosevelt students and spectators, Lynbrook, Wantagh and Section VIII NCPHSAA failed to take prompt and appropriate action to address the numerous clear violations of its rules, policies and procedures and the laws addressing acts of racial and color discrimination.

41. As a result of the racially charged incidents that occurred at both Lynbrook High School and Wantagh High School, the students of Roosevelt High School sustained mental anguish, mental pain, psychological trauma, and loss self worth.

42. The following statements are from students of Roosevelt High School (including prospective Class members and representatives) and describes their experiences and those which were experienced by members of the class explaining how they felt and what occurred on February 17, 2023 at Wantagh High School:

- I felt intimidated by fans and felt harassed and it really messed me up mentally once the racial slurs were being said in the stands and on the court. I specifically heard the "N word" from player with the number 13 on his Jersey on opposing team.
- I felt that the school was racially motivated. I heard trash talk but the environment as just weird. I heard the "N word" often times.
- When we walked in the gym the place was normal at first but then when the game started there was a lot of racial slurs throughout the game and it was a different type of disrespect during the game, I heard the "N word" many times.
- The fans were saying crazy things like racist, like being racial. They didn't shake our hands after the game... saying disrespectful stuff in the stands; chanting

"Who's your daddy" and saying the "N word".

- The second game started we felt a different type of energy because our team has been in hostile environments before, but it just felt off. I specifically heard racial slurs like the "N word" and "Where is your daddy". The crowd was also yelling out "Who's your daddy?" Also, after the game I felt totally unsafe with how the crowd stormed the court and bum-rushed us and the team.

- The second we entered the gym it was very aggressive and hostile environment. The introduction alone there was very unsportsmanlike conduct. Racial slurs were being shouted out by the fans, very aggressive and just got targeted. While on the bench I heard someone call me Ramen guy. Aggressive talk and just made us feel less, especially since we lost and that just made me feel like garbage. There's a difference between talking trash and what they did because they took it to a whole other level.

- We felt a different type of hatefulness as soon as we walked in and when the game started.

43. The wrongful actions have a historical base as same have been ongoing for a period of time, however the most recent acts include, but are not limited to, occurrences at Lynbrook High School on February 15, 2023 and at Wantagh High School on February 17, 2023 and thereafter through the actions and inactions of Lynbrook, Wantagh and NCPHSAA their personnel, their spectators, their students, their employees, their agents, their charges, their decision makers and their administrators.

50. Dr. Wortham testified that she was informed by Roosevelt High School staff members about the incident that occurred on February 17, 2023, at Wantagh High School.
